Apple Media Services:

Social and Connect Post Information - Blocked Profiles

April 2019

File name

Social and Connect Post Information-blockees.csv

File description

List of user profiles that you have blocked on Apple Music Connect

Why Apple keeps this information

This data is used to ensure that certain blocked profiles cannot see your profile

Field Name	Details
Profile_name	The profile name of the person that you blocked
created_date	The date and time that the profile was blocked
